Sir:

More than five (5) months have passed since the filing of a Power of Attorney relative to the above-identified patent. Although the Power is listed on PAIR, the attorney of record information has not yet been corrected. The Assignment was recorded with the U.S. Patent and Trademark Office on August 28, 2007 bearing Reel No. 020010, Frame 0766. A copy of both the recorded Assignment and Power of Attorney form are attached for your convenience. This delay in updating the record in these regards is preventing the Applicant, for example, from receiving official communications from the Patent Office, from updated the attorney docket number, and so forth.

To avoid further prejudicing the Applicant's position, please have the Power of Attorney recorded and entered onto PAIR to enable Applicant's attorney to access information.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
